*Hymn: #393 “Out of the Depths, O God, We Call”

Pastoral Prayer

Pastoral Prayer Response: *Lead Me Lord*

Lead me, Lord, lead me in thy right-cous-ness, make thy way
plain be - fore my face. For it is thou, Lord, thou, Lord,
on - ly, that mak - est me dwell in safe - ty.

The image shows a musical score for the hymn "Lead Me Lord". It consists of three systems of music, each with a vocal line (treble clef) and a piano accompaniment line (bass clef). The key signature is one sharp (F#) and the time signature is 4/4. The lyrics are written below the vocal line. The first system covers the first two lines of lyrics, the second system covers the next two lines, and the third system covers the final line. The piano accompaniment provides a harmonic and rhythmic foundation for the vocal line.

Testimonial

How strange it might seem for one of the ministers to offer a testimonial. But Don and I wanted a chance to express our commitment to, and appreciation for, a countless number of wonderful experiences we have had over the past decades as members of this congregation. We've served in soup kitchens, wielded hammers for Habitat for Humanity in Tennessee, Georgia and Connecticut, escorted teenagers on the Midnight Run, rebuilt cabins at Camp Claire, built bonfires for the children of the Storefront School of Harlem, and refurbished electric wiring in a hospital in Deschappelles, Haiti. Together with our children and grandchildren, we've been enriched by mission trips to South Dakota, South Africa, Haiti, Harlem and Palestine. Whatever we **might** have accomplished for the people we have sought to serve, we have surely been blessed a thousand-fold in our own lives by all these experiences.

But in response to Steve's sermon last week about the preciousness of water, we wanted to share this story – a story we often reflect on as, perhaps, the most moving of our many mission engagements. In 2002 we journeyed to Durban, South Africa, along with about 25 members of this congregation, to build 100 houses on a hillside in Durban as part of the Jimmy Carter Work Project of Habitat for Humanity in Africa. We helped to construct a small, efficient home for a woman named Thandezile. She was a young mother with two sons who had **never** before owned a home of her own. Every day during the week we worked in Durban she came to work alongside us as her house was constructed. The home was modest, indeed, by our standards. It was perhaps 600 square feet in size, and was made of cement block and terra-cotta roofing tiles. It had two tiny bedrooms, a very small living room, a "Pullman" kitchen and tiny bathroom. But what was remarkable, in our minds, was that, for the first time in her entire life, Thandezile, would have access to water in a home of her own. She had, for more than forty years, carried whatever water she needed from a spring or public well. When we handed her the keys to her new home we knew she would never again carry a heavy pail of water for her children.

This remains an indelible memory for us. Water is precious indeed. And our memory of this mission experience in Durban is one of the most precious memories of our lives.

Bible Study This fall Becky Crosby will lead a study on the life and teachings of the Apostle Paul through his letters and the Book of Acts and discover how he shaped Christianity and transformed Jesus into the Messiah. To accompany and guide our study, we will read A.N. Wilson's book, "Paul: The Mind of the Apostle." The book can easily be purchased on-line. **Bible Study begins on Thursday, October 26th at 10:45** in the church's Library and we will meet every Thursday until December 21st, when we will break for Christmas. Please bring your own Bible (all translations are welcome). If you don't own a Bible, we have plenty to share.

**Bell Ringing
Sunday, Oct. 8
6 p.m.**

In New England villages, bells were used as a way of drawing people out of their homes for public purposes. They were used to announce times of worship, celebration and mourning - but they were also used as a way of sounding an alarm, as a way of calling a community to action. As it was then, so it is now. On SUNDAY, OCTOBER 8, at 6 p.m., we invite the entire community to join us on our front lawn as we ring our steeple bell 59 times in memory of the individuals who lost their lives to the recent gun violence in Las Vegas. The bell tolls will not only remind us of each precious life lost on October 1, they will also serve as an alarm, calling us to attention as a community. They will remind us that moments of pious silence, as some members of Congress would recommend, are not enough. We need to change. We need to improve our society. The bell will provide resonant, loud and insistent reminders of the insanity of firearms in this country. We need the clarion call of a bell to rouse us from our slumber. We need to change the way we live. We'll sound the bell 59 times on Sunday evening. And again every time there's another ritualized mass shooting in America. Please join us Sunday evening at 6:00 pm.

The church office will be closed Monday, October 9th in observance of Indigenous Peoples' Day.
