On this Juneteenth Sunday,

**We gather to establish the justice proclaimed by Jesus and the prophets,  
that all peoples might dwell in harmony and peace.**

But we also gather to be reminded of the wisdom, beauty, and healing power of Africa,

**In this meeting of sacred cultures, may we be opened by the Spirit, and filled with  
wonder, praise, and joy, as we celebrate our shared humanity.**

**We thank you for worshipping with us. Following the life and teachings of Jesus, we are a church that strives to be a place of grace, welcoming all regardless of theological expression, age, race, gender, sexual identity, national origin or financial means. In our Church Constitution we recognize that "each member shall have the undisturbed right to follow the word of God according to the dictates of his or her own conscience, under the enlightenment of the Holy Spirit." The First Congregational Church of Old Lyme, established in 1665, cherishes this proud Pilgrim tradition. We are honored by your presence among us, and we invite you to help us become what we endeavor to be.**

**I Think To Myself...What a Wonderful World:** Join us on Saturday June 25 for an excursion to the Louis Armstrong House and Museum in Queens, followed by a visit to the Queens Night Market. Armstrong needs no introduction or explanation, save to say that we all need reminders of the affirmation he was able to extend to a hurting world, even after witnessing some of its worst aggressions. We'll follow that visit with a trip to the Queens Night Market, a few miles away. Every Saturday night during the summer months, Flushing Meadows Park hosts a massive open air market with dozens of food vendors representing the array of cultures that gather in Queens and NYC. Queens, according to some analysts, is currently the most diverse area and zip code in the world. There are musical and cultural performances at the Night Market. It's all an opportunity to revel in the rich array of people, music, food and artistic craftsmanship that make up our world, and to sense the invitation and modes of healing embedded within those cultures. We'll leave FCCOL at 10 AM on that Saturday, car pool to New Haven, and then take the train to Queens. We'll rely on Uber once we're in the city. We'll arrive home late in the evening, tired but satisfied. Call or email the church office to let Odile know if you'd like to come. 860-434-8686, or [fccol@fccol.org](mailto:fccol@fccol.org).

**New London Soup Kitchen:** Once a month our church serves a meal at the New London meal site. Each board or committee within the church takes responsibility for preparing and serving the food. Occasionally we find that we need a few volunteers beyond that committee structure who could make a casserole or perhaps help serve the meal. If you are *willing to be on a list of additional volunteers who could be called to help* please call the church office at 860-434-8686 and let us know. "Many hands make light work" indeed.

**Receive Ukrainian Refugees:** Under United for Ukraine, individuals can apply to host refugees in their homes. Applicants must demonstrate the ability to financially support an individual or family fleeing Ukraine. And there are safety and vetting processes at both ends of the application - for US hosts, and for Ukrainians - in order to prevent abuse and exploitation. If you're interested in learning more, or applying, visit the website: <https://www.uscis.gov/humanitarian/uniting-for-ukraine>.
