

## Scripture Reading

### Genesis 1: 1-2; 26-31 (The Message)

First this: God created the Heavens and Earth—all you see, all you don't see. Earth was a soup of nothingness, a bottomless emptiness, an inky blackness. God's Spirit brooded like a bird above the watery abyss.

God spoke: "Let us make human beings in our image, make them reflecting our nature

So they can be responsible for the fish in the sea,  
the birds in the air, the cattle,

And, yes, Earth itself,  
and every animal that moves on the face of Earth."

God created human beings;  
he created them godlike,

Reflecting God's nature.

He created them male and female.

God blessed them:

"Prosper! Reproduce! Fill Earth! Take charge!

Be responsible for fish in the sea and birds in the air,  
for every living thing that moves on the face of Earth."

Then God said, "I've given you  
every sort of seed-bearing plant on Earth

And every kind of fruit-bearing tree,  
given them to you for food.

To all animals and all birds,  
everything that moves and breathes,

I give whatever grows out of the ground for food."

And there it was.

God looked over everything he had made;  
it was so good, so very good!

**Sister Corita's Rules for Creativity: Useful for Art Departments and Churches Alike. And for all of Life!**

RULE ONE: Find a place you trust, and then try trusting it for a while.

RULE TWO: General duties of a student — pull everything out of your teacher; pull everything out of your fellow students.

RULE THREE: General duties of a teacher — pull everything out of your students.

RULE FOUR: Consider everything an experiment.

RULE FIVE: Be self-disciplined — this means finding someone wise or smart and choosing to follow them. To be disciplined is to follow in a good way. To be self-disciplined is to follow in a better way.

RULE SIX: Nothing is a mistake. There's no win and no fail, there's only make.

RULE SEVEN: The only rule is work. If you work it will lead to something. It's the people who do all of the work all of the time who eventually catch on to things.

RULE EIGHT: Don't try to create and analyze at the same time. They're different processes.

RULE NINE: Be happy whenever you can manage it. Enjoy yourself. It's lighter than you think.

RULE TEN: "We're breaking all the rules. Even our own rules. And how do we do that? By leaving plenty of room for X quantities." (John Cage)

HINTS: Always be around. Come or go to everything. Always go to classes. Read anything you can get your hands on. Look at movies carefully, often. Save everything — it might come in handy later."
